

WELCOME TO America's Best Home Healthcare LLC

We consider ourselves as stewards of your health and we will do all within our professional capacity to deliver a wide variety of health care and supportive services. We care for you in the comforts of your own home with a care plan that is dictated by your preferred health care provider or your physician. Our team will also find a nurse or a health care professional who matches your level of health management requirements. In short, the care you get is tailored to your specific needs.

About Us

Our purpose at **America's Best Home Healthcare LLC** is to bring quality health services for clients in Virginia's counties and cities. As skilled care providers, we believe it is their duty to deliver expertise in providing care for someone important to you.

We do our best for you to receive a fulfilling experience from our dedicated professionals as we provide nursing care, companionship, personal care and Medicaid Waiver services. We maintain high standards in care delivery so we can help clients make a full recovery in their private residences.

We established our home health care company to answer the various health needs of valued patients 24 hours a day.

Services

Get started with health care services from America's Best Home Healthcare LLC and get better at home! We offer our clients a way to a more cost-effective and less restrictive manner of receiving structured care.

Our care coordinators will design a care plan that will include one or a combination of the following services:

- ✓ **Registered Nurses (RNs) and Licensed Practical Nurses (LPNs)**
- ✓ **Skilled Nursing**
- ✓ **Personal Care Aide Class**
- ✓ **Companionship**
- ✓ **Homemaking**
- ✓ **Personal Care**
- ✓ **Respite Care**
- ✓ **CPR/First Aid/AED Class**

Waiver Services

- ✓ **The Technology Assisted Waiver**
- ✓ **Intellectual Disabilities Waiver**
- ✓ **The IFDDS Waiver**
- ✓ **The Elderly or Disabled with Consumer Direction**
- ✓ **The Early and Periodic Screening, Diagnostic and Treatment**

Our Vision

Our vision is that of an organization that treats each patient as we would a member of our own family by providing the best home care with caring, compassion and responsive service, thereby becoming recognized as a national model for excellence and superior in-home care provider.
